

GIVE YOUR BOOKS A NEW HOME

Simply drop your books
into our Better World
Books Drop Box.

Support the Environment

Books donated will be sold online keeping them out of landfills. Unsold books are donated or properly recycled. Over the course of one year one drop box could save as many as 150 trees!

Support Literacy

A portion of every book sale supports literacy. To date, Better World Books has raised over \$11 million dollars for global literacy and sent more than 6 million books to needed communities all over the world!

Better World Books will sell as many books as possible with a part of every sale from this Drop Box benefiting:

BetterWorldBooks®

The Better World Books Drop Box that support this literacy partner are located at:
